

# National Certified Guardian (NCG)

The National Certified Guardian designation is granted to individuals who have met the minimum eligibility standards for CGC Certification including the necessary training and testing requirements. The designation must be renewed every two years as long as eligibility and continuing education requirements are met.

## **Our Vision**

Every professional guardian will obtain and maintain CGC certification.

## **Our Mission**

The mission of the Center for Guardianship Certification is to provide a comprehensive guardian certification program.

## **Our Purpose**

The purpose of the Center for Guardianship Certification is:

- To develop and administer a credentialing process for guardians.
- To address issues related to renewal, suspension and revocation of credentials for guardians.
- To encourage, support and foster best practices in the provision of quality guardianship services.

## **Core Value**

Excellence in Certification

CGC views certification not as the end, but as a means to demonstrate to the public, clients, and the courts that the CGC certified guardian has sufficient skill, knowledge and understanding of the universal guardianship principles to be worthy of the responsibility entrusted to him or her.

Certification entitles the guardian to represent to the courts and the public that he or she is eligible to be appointed, is not disqualified by prior conduct, agrees to abide by universal ethical standards governing a person with fiduciary responsibilities, submits to a disciplinary process, and can demonstrate through a written test an understanding of basic guardianship principles and laws.
